HUNTERS!

During this period of *EXTREME WILDFIRE DANGER*, please follow these safety tips:

- Check local fire and smoking restrictions.
- *IF OUTDOOR FIRES ARE ALLOWED*, make sure they are small and manageable.
- Have a shovel and plenty of water near your campsite and be prepared to use them.
- After you put your fire out, make sure it is cold to the touch.
- Make sure all equipment has the required spark arresters.
- Park only over bare dirt or pavement.
