

UPLAND USE FEE WORKSHEET

Permittee: _____

Are these (check one):

Pre-season estimates _____

Post-season actuals _____

Step 1 Calculate the percent of time on Public Lands. (Using trip log form on back)

$$\frac{\text{Total Days on BLM (A)}}{\text{Total Days All Use (A+B)}} = \text{\% Time on Public Lands}$$

% of Total Time on Public Lands		Fee Reduction	Multiplication Factor
Less than 1-5%		80%	0.2
6-60%		40%	0.6
61-100%		NONE	1

Step 2 Calculate adjusted gross receipts

$$\text{Total Gross Receipts} \times \text{Multiplication Factor} = \text{Time adjusted Gross Receipts}$$

Step 3 Calculate deductions

$$\text{Time adjusted Gross Receipts} - \text{Deductions* (E)} = \text{Final adjusted gross receipts}$$

Step 4 Calculate the amount due to the BLM

$$\text{Final Adjusted Gross Receipts} \times 0.03 = \text{Post-use due}$$

Step 5 Deduct application payment

$$\text{Post-use due} - \text{Pre-use Paid} = \text{carryover or Post Use payment}$$

I certify that all information on the above form is correct.
