BUREAU OF LAND MANAGEMENT
White River Field Office
73544 Highway 64
Meeker, Colorado 81641

Dear Wilson Creek Area users:

The Bureau of Land Management is seeking your comments and input while developing a comprehensive travel management plan for public lands in the Wilson Creek Area – no private lands will be affected. No decision concerning the use of OHVs has been made at this time, so this is your opportunity to aid the BLM in the development of a plan. Below is a map of the planning area where the blue line denotes the planning area boundary (the planning area encompasses public and private lands but decisions only affect BLM public lands).

The comment period will end October 31, 2003. Please provide written comments to Chris Ham, Outdoor Recreation Planner at 73544 Highway 64, Meeker, CO 81641 or email to chris_ham@co.blm.gov.

If you have questions concerning the Wilson Creek Travel Management planning process or any other recreation related questions please do not hesitate to contact us at 970-878-3800 or stop by our office at the above address. We look forward to your comments and hope your trip this year was safe and successful.

Sincerely,

Kent E. Walter
